on the date the participant enters the DROP.

(d) As used in this section, "DROP retirement date" means the future retirement date selected by a participant at the time the participant elects to enter the DROP.

(e) Only a participant who is eligible to receive an unreduced annual retirement allowance immediately upon termination of employment may elect to enter a DROP. A participant who elects to enter the DROP **must shall do the following:**

(ii) sixty (60) months after the participant's DROP entry

date, for a participant who executes an election described in clause (A) after June 30, 2024.

~~(4)~~ **(D)** The participant may not remain in the DROP after the date the participant reaches the mandatory retirement age under section 9 of this chapter.

~~(5)~~ **(E)** The participant may make an election to enter the DROP only once in the participant's lifetime.

(2) Notify the participant's employer of the DROP election within thirty (30) days of the election.

(f) Notwithstanding subsection (e), a participant that entered the DROP before July 1, 2024, and that has not exited the DROP may elect to extend the participant's DROP retirement date up to sixty (60) months after the participant's DROP entry date.

(g) A participant that makes the election described in subsection (f) shall notify the participant's employer within thirty (30) days of the election.

~~(f)~~ **(h)** Contributions or payments provided by the general assembly under section 4(b)(4) of this chapter continue for a participant while the participant is in the DROP.

~~(g)~~ **(i)** A participant shall exit the DROP on the earliest of the following:

(1) The participant's DROP retirement date.

(2) **Either:**

(A) thirty-six (36) months after the participant's DROP entry date, if the participant:

(i) executes an election described in subsection (e) before July 1, 2024; and

(ii) does not execute an extension described in subsection (f); or

(B) sixty (60) months after the participant's DROP entry date, if the participant:

(1) computed under section 10 of this chapter as if the participant

had never entered the DROP; or

(2) consisting of:

(A) the DROP frozen benefit; plus

(B) an additional amount, paid as the participant elects under subsection ~~(i)~~; **(k)**, determined by multiplying:

(i) the DROP frozen benefit; by

(ii) the number of months the participant was in the DROP.

~~(i)~~ **(k)** The participant shall elect, at the participant's retirement, to receive the additional amount calculated under subsection ~~(h)(2)(B)~~ **(j)(2)(B)** in one (1) of the following ways:

(B) the date the participant retires because of a disability as provided by subsection ~~(k)~~; **(m)**.

(2) If the participant retires because of a disability at least twelve

(12) months after the date the participant enters the DROP, the participant's annual retirement allowance is calculated under this section, and the participant's retirement date is the date the member retires because of a disability rather than the participant's DROP retirement date.

~~(†)~~ **(n)** If, before payment of the participant's annual retirement allowance begins, the participant dies in the line of duty or other than in the line of duty, death benefits are payable to the participant's surviving spouse. If there is no surviving spouse, the death benefits must be divided equally among the participant's surviving children. (A) At the election of the survivor or survivors to whom the benefit is payable, the benefit calculated under subsection ~~(h)(2)(B)~~ **(j)(2)(B)** is paid in either:

(i) a lump sum; or

(ii) three (3) equal annual payments, the first as soon as practicable after the date of the participant's death, the second on the first anniversary of the participant's death, and the third on the second anniversary of the participant's death.

(B) A benefit is paid on the DROP frozen benefit under the terms of the retirement plan created by this chapter.

~~(m)~~ **(o)** Except as provided under subsections ~~(k)~~ **(m)** and ~~(†)~~ **(n)**, the annual retirement allowance for a participant who exits the DROP for any reason other than retirement on the participant's DROP retirement date is calculated as if the participant had never entered the DROP.
