### **Frederick County Career Firefighters Announce Election Endorsement: Congressman Trone**

(October 20, 2022 - Frederick, MD) – Frederick County Career Firefighters and Paramedics IAFF Local 3666 announce their endorsement of Congressman David Trone for the 2022 General Election for Congress, District 6. The Congressman joins their campaign against ballot question 'A'.

Congressman Trone shared this statement:

*In 2018, the voters overwhelmingly supported the firefighters and approved binding arbitration for contract negotiations with the County. Question 'A' on the ballot this year would undo the will of the voters by effectively making their decision on binding arbitration agreements null and void.*

*I was proud to stand with the firefighters in their efforts to secure fair contract negotiations in 2018, and I am proud to do so again this year. I urge voters to vote NO on Question 'A' and reaffirm their support for the local firefighters in Frederick County.*

- Congressman David Trone, MD06

The membership of the Local met earlier this month to vote to support endorsing Congressman Trone for the November General Election.

“We based our endorsement decision on public safety for the residents of Frederick County - we focus on who we believe will prioritize safety over politics,” said Stephen Jones, President of IAFF Local 3666, Frederick County Career Firefighters. “Congressman Trone continues to demonstrate that he values our input as the County’s public safety experts and we are grateful for his ongoing commitment to a better Frederick County.”
